ABOUT

ORZA

SHOWER ENCLOSURE

The shower enclosure has grown to be a vital part of the cutting-edge bathroom. It offers elegance and fashion to the bathroom. It takes the class of the bathroom to the subsequent degree. The shower enclosure keeps the bathroom dry, hygienic, and secure. Restricting the water within the room, shower enclosures preserve it completely dry, as a result making it micro organism-loose and hygienic. Shower enclosures lessen the possibilities of slippery hazards making a bathroom safe.

ENJOY A BATH WITH FLOWING COLORS

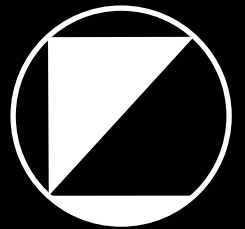

Orza shower enclosures with a variety of vivid colors, upload that contact of coloration in your bath-time. To create a dreamy series, the colors match the color of the faucets and other textures in your bath space, creating a mesmerizing and symmetrical environment.

*"Color is a power which
directly influences the soul"*

~ Wassily Kandinsky

TOUGHENED GLASS

WITH EASY CLEAN FEATURE

Raw coat glass or heat-treated glass should never be used in shower enclosures. **Orza** maintaining safety on priority, makes use of Saint-Gobain toughened or tempered glass. All the **Orza** shower enclosures have a special hydrophobic and Oleophobic remedy on the internal surface of the glass.
